

17 SOUTH YOUTH SHOTGUN TEAM COMPETITION INFORMATION

- Entry fees for regular season competitions are due in full on March 10, 2025. DO NOT EXPECT A REFUND if your shooter is unable to attend a competition that you paid for. Historically, SCTP and/or the gun clubs do not allow refunds after shooters are registered.
- Be prepared to compete on ALL days of a multiple-day competition.
- Participation in any/all event(s) is at the family's discretion. Check your calendars, other sport commitments, school clubs, required school testing (SAT, etc.), vacation plans, etc. BEFORE you sign up. Choose the events your family is able to comfortably participate in.
- Our competition leaders will create squads based on divisions (Intermediate Entry, Intermediate Advanced, JV, Varsity, etc.) and submit squads to SCTP or the Club that is organizing the competition. These squads are sometimes treated as suggestions, and our team does not control the competition times, nor do we choose the other squads we shoot with or the order of the events.
- SCTP Nationals: Cardinal Shooting Center, Marengo, Ohio
 - July 9-19; We normally compete the second week (we will request July 15-19, but there is no guarantee that we will be scheduled as requested)
 - Team members MUST compete in SCTP SE Regional OR SCTP GA State to be eligible to compete at Nationals. No exceptions.
 - Sign up and entry fee due date will have separate deadlines from the regular season competition dates.
 - Estimated entry fees for Nationals are \$400 - \$475.00.
